

Crusader Cards

You only have two opportunities to place your gift card orders before Christmas!

Don't miss your chance to do your Holiday shopping early! You receive the full gift card amount, and SVdP receives an instant rebate on each gift card that is purchased.

This is a great time to get gift cards as presents, and also to use while you do your holiday shopping. Remember to order your Barnes & Noble gift cards for the book fair that will be held on December 7th.

Turn in a completed order form and check made payable to SVdP into the office by Friday Nov. 9th and receive your gift cards on Nov. 16th.

Don't see the retailer you want, denomination you need, or want to place a large business order? Please email Stef Liley and she can work with you directly to personalize large orders. A complete list of retailers and denominations can be found at showwithscrip.com

Give back to SVdP while you shop!
