

# 2019 Diaper Drive

The 7th Grade students have begun their annual Service Project - a *Diaper Drive*

benefitting the **Gabriel Houses!** This year, the 7th Grade has set a very lofty goal of collecting **61,000 diapers** for mothers and families (and most especially babies!) in need throughout the Archdiocese of Denver.

This determined group is launching their own *Diaper Drive* marketing campaign and has a plan for success that SVDP has never before seen. Hooray!!!

Each week during Lent (the *Diaper Drive* concludes on Holy Saturday) you will see new information from the 7th Graders in the Friday Forecast communicating information such as:

- How your donations help! ~ *Over 19,000 families received services last year!*
- SVDP progress against Goal! ~ *With your help, we can do this!*
- Drop off location! ~ *Diaper Drive box outside front office!*
- Diaper sales! ~ *Amazon Prime and deliver to the school!*
- Easy ways to participate! ~ *Send Check or Cash in and we will purchase in your child's name!*
- Contests for the classes! ~ *Surprises Ahead!*

*Please help our 7th Grade succeed and help your family give during this holy Lenten season!*
