

**Silicon STEM
ACADEMY**

Voted #1 by Colorado Parents for 3 years in a row! That's because our camps are more fun and provide more depth than those pricey out-of-state camps! Plus, we're here year-round to serve students who love STEM!

**Camps in Computer Programming,
Game Design, Engineering,
Digital Media:**

**Coding 101
LEGO Robotics
2D & 3D Game Design
Stop-Motion Animation
Edison Robotics
Weird Science
Python Programming
Become a YouTube Star
& Much More!**

Colorado's #1 STEM Camps!

Fun

Informative

**Beginner &
Advanced**

**Something for
Everyone!**

6 Locations Including RJ!

We are proud to bring our camps to Regis Jesuit HS! For students 7-18.

You don't need to be an RJ student to join the fun!

siliconstemacademy.com/summer-camps/stem-summer-camps-denver-aurora-regis-jesuit-high-school

Convenient & Flexible

Half-day camps in AM or PM format. Plus, stay-all-day-options!

Optional early drop-off for busy parents!

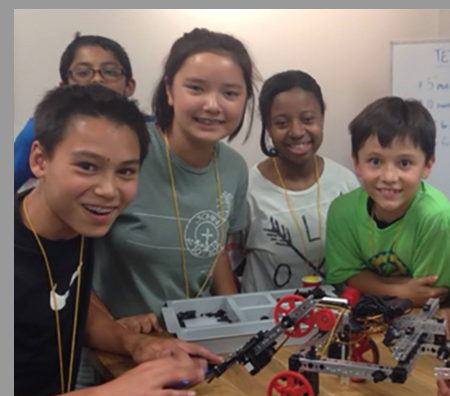

Local & Affordable

Don't let the name fool you — Silicon STEM Academy is locally-owned!

We're more affordable and better-quality than those big, out-of-state camps!

All-New Coding Bootcamps

Our new Coding Bootcamps at CO School of Mines offer teens a deep-dive into programming, giving them a jump-start on their futures!

**Give your student
a head start!**

Main Location:

**4201 E Yale Ave, Suite 130
Denver, CO 80222**
