

King Soopers Program Change

The King Soopers program is changing!. You will no longer have to reload your King Soopers gift card or purchase a King Soopers gift card in order for SVdP to receive money back!

After you follow a few simple steps (listed below), all you will need to do is use your King Soopers loyalty # (as you do to receive discounts) and your purchases will earn SVdP \$\$\$. Anyone can do this for SVdP, so feel free to share the information!

Go to King Soopers Community Rewards:

<https://www.kingsoopers.com/topic/community-rewards-9>

If you DO NOT have an online account already (FYI: if you have a loyalty #, that does not mean you necessarily have an account):

1. Select "Create an account".
2. Enter email and create a password (FYI – you will need to know the password later).
3. Select "Use Card Number" and enter your King Soopers loyalty #, your last name and zip code.
4. Under "Select Preferred Store", enter your zip code and select "Find Stores".
5. Choose the store location you prefer and select "Create Account".
6. You will be prompted to check your email for a confirmation email. In your email, click on the link and to finish creating your online account.

Once you have an online account, link your community rewards to SVDP:

1. Sign into your account
2. Select "My Account" from the drop-down menu in the top right
3. Select "Community Rewards" from the left-hand side under "Account Summary".
4. Under "Find an organization", enter either Saint Vincent de Paul or school code: Then select our school.
5. You should now see SVdP listed under "Community Rewards" in your "Account Summary" page.

IMPORTANT: The old system for getting credit will discontinue, so please do not reload your King Soopers gift card to get credit.

If every family spent \$500 this summer alone, our school would benefit over \$6,000.00. What a great way to start off the 2019 school year.
