- UES is a non-profit organization 501(c)(3) that awards scholarships with the fund-raising dollars donated from concessionaires. UES staffs concession stands at various locations in Colorado Springs and Denver (World Arena and Air Force Academy in Colorado Spring plus Coors Field, Dicks Sporting Goods Park, Fiddlers Green, Mile High, and Pepsi Center in the Denver Metro area).
- UES scholarship recipients direct their grants to the Catholic institution of their choice. This includes Catholic Schools (K-8), Catholic Universities, Catholic Churches and various Catholic non-profits.
- UES scholarships can be used for Catholic education tuition, books, fees, uniforms, and retreats. Even the costs of Catholic school sports programs, music programs, parish pilgrimages, Biblical School, RCIA, and World Youth day can be covered with our scholarships!

Please visit the UES website at www.uesdenver.org for more information. There you can find our Intent to Volunteer Form and review our FAQ and Notes for New Volunteers (in English or Spanish).
