Hand Sewing

Creative kids have an incredible place to learn and master the great art of sewing! Hand Sewing classes for ages 5 and up are designed to be small (maximum five students) to provide the attention necessary for optimal learning. Students learn and build valuable, lifelong skills like: how to carry a project from concept to completion, patience, artistry, reading patterns and visualizing in 3-dimensions. All sewing tools and beginning patterns are provided for boys and girls for use during class. We begin with Winky Cherry's educational series developed just for children to learn the basics of sewing felt shapes as they learn to choose, measure, cut, thread a needle, make a knot, stitch, and lock stitch. Depending on age, skill level and class time, students can progress, at their own pace, to more advanced projects like accessories, gifts, small quilts, or embroidery. All hand sewing project supplies are all included in class fee.

Over the past twelve years, large productions like River Dance, Lord of the dance and the World Championships of Step Dancing have taken this dance form to new heights. A weekly class introduces children to all basic steps. They will also discover a form of music that they rarely hear on the radio but is fun, lively and energetic!
