### Sewing

**Hand Sewing class description:**

Creative kids have an incredible place to learn and master the great art of sewing! Hand Sewing classes for ages 5 and up are designed to be small (maximum five students) to provide the attention necessary for optimal learning. Students learn and build valuable, lifelong skills like: how to carry a project from concept to completion, patience, artistry, reading patterns and visualizing in 3-dimensions. All sewing tools and beginning patterns are provided for boys and girls for use during class. We begin with Winky Cherry's educational series developed just for children to learn the basics of sewing felt shapes as they learn to choose, measure, cut, thread a needle, make a knot, stitch, and lock stitch. Depending on age, skill level and class time, students can progress, at their own pace, to more advanced projects like accessories, gifts, small quilts, or embroidery. All hand sewing project supplies are all included in class fee.

For more information about more kids sewing classes available on Saturday's (held at Hobby Lobby), please contact instructor Kathy Lynch at 720-402-8057, and a schedule will be mailed or emailed to you.

1. send an extra materials fee of \$10.00 with student (to give to instructor on first day-cash or check) in exchange for supplies from instructor.

OR

2. purchase respective supplies below at fabric store before first class (and bring supplies to first class).
