

## **GENERAL NOTES APPLY SCHOOL-WIDE K-8**

The schedules listed on pages 2-4 of this document, for Grades K-8, apply at the following times:  
(PK schedule will come out separately)

Definitively scheduled for:

- November 30 - December 4, 2020 week following Thanksgiving break
- January 4-8, 2021 week following Christmas break

Tentatively scheduled for:

- April 12-16, 2021 week following Easter break

K-5 Notes: The same schedules below would also apply when a cohort homeroom of any grade K-5 is quarantined for a two-week period due to a positive COVID case, or spread within the cohort, or other determining factors.

6-8 Notes: Due to shared teachers among all middle school grades, the middle school schedule below applies ONLY when all three grades (6, 7, 8) are entirely online at the same time, such as will be the case during the weeks following Thanksgiving and Christmas breaks. Other specific scenarios, for example, a 7th grade homeroom quarantine, or single, whole-grade quarantine, will be scheduled on a case-by-case basis. It is possible that if several of our middle school teachers need to quarantine with a grade level, we will need to quarantine the entire middle school and continue eLearning, until the teachers are able to return in person. The complexity of the middle school schedule and teaching arrangements make for a more fragile domino effect in these grades.

Scheduling Notes:

- 1) The K-8 schedules are active with Live Zoom times on Monday, Tuesday, Thursday, Friday
- 2) Wednesday is a lighter work day, entirely asynchronous, with opportunity for teachers to catch up with individual students and small groups to reinforce concepts and ensure understanding
- 3) Specials are minimal/eliminated during short-term, online experiences, and our specials teachers serve in various support roles to homeroom teachers
