## PASTOR'S MONTHLY CHALLENGE

May is the month of Mary! We invite you to come forward after the Sunday Masses this month to the Blessed Mother statue and say a prayer of love to our dear Mother.

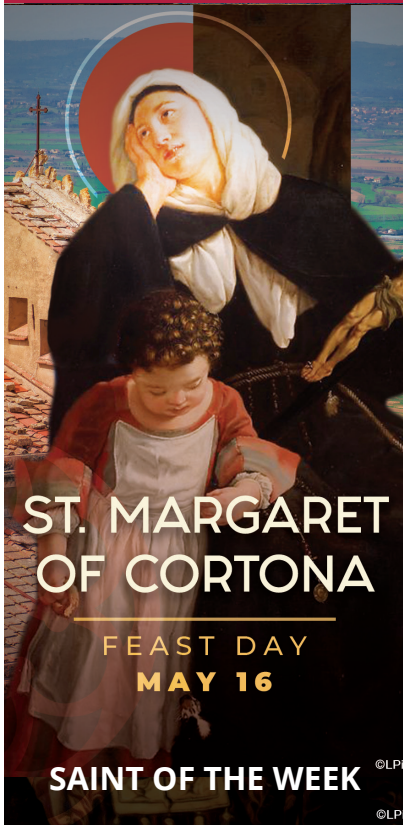

## MY DEAR BROTHERS & SISTERS IN CHRIST,

“Now is the Son of Man glorified, and God is glorified in Him.” It seems an odd time for Jesus to say that He and His Father are glorified, Judas has just left the Last Supper room to betray our Lord and in the morning our Savior will be crucified for our sins. How can the crucifixion and death of Jesus possibly be glory? Because the cross is Jesus’ perfect obedience to the Father, it is the battlefield where He conquers your sin and death and it is the powerful reminder that God is in control of His world.

This last point is important. God is in control. He transforms every darkness in your life that you give to Him into healing and glory. God really is more powerful than any darkness we can experience. We ask His glory to shine through and it will. Yes, there will be setbacks in your life and those setbacks fill Jesus’ heart with sorrow but they do not take your life out of His control. They are never more powerful than He is.

*Fr. John Hilton*

St. Margaret of Cortona was born into a farming family in Tuscany, her mother died when Margaret was seven. Her father remarried, but life with her stepmother was so difficult that St. Margaret moved out of the home and instead chose to live with a man named Arsenio, though they weren't married. They had been living together for nine years when she gave birth to a son. Knowing in her heart that this wasn't the life that God intended for her to have, she prayed for purity. One day while waiting for Arsenio, his dog led her into the forest where she found Arsenio murdered. So shocked was St. Margaret that she fell into a life of penance. She and her son returned to Laviano, but still found her stepmother to be as unwelcoming as ever. They then went to Cortona, and eventually her son became a friar. Three years after her conversion, St. Margaret followed in her son's footsteps and became a Franciscan tertiary.

# OUR SVDP SOCIETY

### Fruits of Your Bounty

Thanks to the generous donations you made to the Society of St. Vincent de Paul, we are able to help families in need in our area. We want to tell you about one person we helped this past week. Robert is a divorced man who was injured at work and is receiving workers compensation benefits. However, the payment is not enough to cover his rent, car payment and child support. He is selling blood plasma, but still doesn't have enough to cover his expenses. He has depleted his savings and has fallen far behind on his bills. His landlord has been working with him and we were able to help keep him in his home. Thank you for giving us the funds to help folks who are in trouble!
