

A person in a dark coat is walking away from the viewer down a path in a desert-like landscape. The ground is a mix of light and dark brown earth, with some ruts or tracks. In the background, there are several green trees and a large, textured, golden-brown structure that looks like a giant's foot or a large, textured wall. The sky is a deep blue with some white clouds. The overall scene is surreal and evocative.

HE SAID TO THEM,
COME
AND SEE

so they came and saw where he
was staying and they stayed with
him that day. -John 1:39
